

Iowa Department of Human Services

Kim Reynolds
Governor

Adam Gregg
Lt. Governor

Jerry R. Foxhoven
Director

NOTICE OF PUBLIC MEETING

Notice is hereby given to the general public that a meeting of the Iowa State Innovation Model (SIM) Healthcare Innovation and Visioning Roundtable will be held December 14, 2017 from 8:30 am to 11:00 am at the Des Moines Botanical Center, 909 Robert D. Ray Drive, Des Moines, Iowa 50309.

Iowa and the nation face a growing crisis around the cost and distribution of Healthcare services and poor health outcomes. Our state is in the third year of the four year SIM grant with the vision to help Iowa experience better health and have access to accountable, affordable healthcare in every community.

The purpose of the Roundtable is to engage important leaders around the state to develop consensus and transform how the healthcare system operates to best serve the needs of all Iowans. We will identify and prioritize elements necessary for reform, such as specific payment models, infrastructure support and policy and regulatory shifts necessary to fuel progress. The group will bring recommendations forward that will inform key healthcare market actors as well as recommendations to Governor Reynolds and her administration regarding necessary steps to implement reform for Iowans that is both cost-effective and improves the health of our citizens.

The Roundtable will help Iowa plan and develop a post-SIM sustainability work plan over the next 2 years. The meeting is open to the public.

An agenda will be posted on the DHS SIM website prior to the meeting at:
